Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Twelve Good Musicians From John Bull to Henry Purcell IN the Preface of his admirable contribution to the Oxford History of Music (vol. III.) the late Sir Hubert Parry writes The seventeenth century is musically almost a blank even to those who take more than the average interest in the Art and barely a score of composers names during the whole time suggest anything more than a mere reputation to modern ears. Of course the distinguished author is speaking of the musical world in general, not of our own country s music only. I am inclined to think it is a little severe on us. I have always found that great interest is taken in the 17th century music and musicians of England. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
