Covey passed away in July 2012, leaving behind an unmatched legacy with his teachings about leadership, time management, effectiveness, success, and even love and family. A multimillion-copy bestselling author of self-help and business classics, Dr. Covey strove to help readers recognize the key elements that would lead them to personal and professional effectiveness. His seminal work, *The 7 Habits of Highly Effective People*, transformed the way people act on their problems with a compelling, logical, and well-defined process. This book covers his most impactful topics: time management, success, leadership including principle-centered leadership all of the 7 Habits, love, and family. This powerful collection is a lasting tribute to the inspirational luminary that so many will miss. *** Selected Wisdom from Stephen R.
