

Tracing History Through Title Deeds: A Guide for Family and Local Historians (Paperback)

Filesize: 8.51 MB

Reviews

This is the greatest book we have read through till now. It is probably the most amazing book we have go through. I am just happy to tell you that here is the greatest book we have read through during my individual daily life and may be he best ebook for possibly.
(Eliseo Leffler)

TRACING HISTORY THROUGH TITLE DEEDS: A GUIDE FOR FAMILY AND LOCAL HISTORIANS (PAPERBACK)

[DOWNLOAD](#)

Pen Sword Books Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Property title deeds are perhaps the most numerous sources of historical evidence but also one of the most neglected. While the information any one deed contains can often be reduced to a few lines, it can be of critical importance for family and local historians. Nat Alcock s handbook aims to help the growing army of enthusiastic researchers to use the evidence of these documents, without burying them in legal technicalities. It also reveals how fascinating and rewarding they can be once their history, language and purpose are understood. A sequence of concise, accessible chapters explains why they are so useful, where they can be found and how the evidence they provide can be extracted and applied. Family historians will find they reveal family, social and financial relationships and local historians can discover from them so much about land ownership, field and place names, the history of buildings and the expansion of towns and cities. They also bring our ancestors into view in the fullness of life, not just at birth, marriage and death, and provide more rounded pictures of the members of a family tree.
