

R.M.S.Nascopie: Ship of the North

By Doug Gray

Golden Dog Press, Canada, 2000. Paperback. Book Condition: New. Illustrated. 223 x 152 mm. Language: English . Brand New Book. Fifty years ago, Royal Mail Ship Nascopie ended a life full of adventure on an unmarked reef in Hudson s Strait. Launched by the Hudson s Bay Company in 1911, her main mission was to supply the Company s far-flung posts in Canada s North. Alone and without any of today s navigation and communications equipment, she battled ice and icebergs, fog, storms, and uncharted waters to delivery everything the posts needed to survive and trade. Few ships played such a prolonged role in developing Canada s North and maintaining her presence there. Nascopie was a strong ship sailed by strong men. She played a historic role for Canada and this is her story.
