New York Times bestselling author Brenda Novak returns to Silver Springs Sometimes starting over means finding everything you ve been missing. After catching her fiance cheating--with another man--usually straitlaced, workaholic scientist Ellie Fisher liberates her wild side just long enough to indulge in a passionate one-night stand with a tall, dark stranger she meets at a trendy Miami bar. Embarrassed by her recklessness, she ducks out the following morning without learning the guy s full name, something that shouldn t have been a problem.until a pregnancy test turns positive. Being a professional football player, Hudson King has always been cautious around women. But this one had been different--so disinterested in his celebrity, so convincingly into him. When Ellie tracks him down, claiming she s carrying his baby, he s stunned. And more than a little betrayed. But after growing up as an orphan, he ll do anything to stay involved in his child s life, so he urges Ellie to move to Silver Springs, where they can co-parent. Hudson has a lot of love to give, certainly enough for his child, and when their initial spark reignites, perhaps for Ellie, too.
