It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Icon Books Ltd. Paperback. Book Condition: new. BRAND NEW, Imagine That - Music: The History of Music Rewritten, Michael Sells, Popular music's most intriguing stories are the tales of what might have been, those seemingly insignificant incidents that would have had the largest unforeseen effects. Imagine That. Elvis is drafted into the army before his first studio session .and quietly lives out his days as a support act The curse of the '27 Club' is broken .and rock music rehabilitates its fallen stars MTV flops as music fans side with the radio star .and hip-hop never reaches the mainstream Engaging, contentious and compulsively readable, each book in this new series takes the reader on a historical flight of fancy, imagining the consequences if history had gone just that little bit differently.
