Hazelden Information Educational Services, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. Stephanie S. Covington, PhD, is nationally recognized as a clinician, author, organizational consultant, and lecturer. With many years of experience, she has developed an innovative, gender-responsive approach to address the treatment needs of women and girls that has been proven effective in public, private, and institutional settings. Dr. Covington is based in La Jolla, California, where she is co-director of the Institute for Relational Development and the Center for Gender and Justice. Designed to be used in conjunction with *A Woman s Way through the Twelve Steps*, this workbook helps deepen and extend the understanding of the lessons taught in the book and brings them to life with simple exercises and journaling activities. In addition to the book and workbook, two new components--a facilitator s guide for clinicians and a DVD--have been produced to form a complete *A Woman s Way through the Twelve Steps* program. The four components can stand alone, but together they form a comprehensive, integrated treatment...
