Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Anne: A Novel It was a matter of three thousand pounds, and I am bound to own that Colonel O Shaughnessy regarded himself to be under a strict obligation to repay the debt. When he died suddenly last year I discovered that he had only three thousand and a few odd pounds in the world. I wrote to the late Mr. Trevor asking him to forgo whatever claim he had upon the estate, as there is a child to support and educate. In his will, which I believe to be invalid as it is neither dated nor witnessed, Colonel O Shaughnessy appointed the late Mr. Trevor to be the child s guardian - this I also mentioned when I wrote, but my letter remained unanswered. I am therefore writing to ask you whether, if you have the intention of calling in money due to the late Mr. Trevor, you will be good enough to waive any legal claim you may have to the three thousand pounds, as the claim, if pressed, will leave an unfortunate orphan practically penniless. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
