A meteor-like sphere circles the earth affecting, at first, women only causing them to grow more than two feet taller and incredibly strong in a short span of time. The world is in turmoil as people try to cope with this bewildering turn of events. Two loving families, neighbors, face the dilemma in radically different ways, giving rise to the comedy and tragedy of this new human condition. A unique organization, Men, Women Together (MWT), evolves that helps humanity deal with the changes. Unfortunately, TG (Tough Guys) and the underworld are trying to make sure the old ways survive while attempting to destroy MWT with their hope and vision for the future. And the struggle begins.
