*This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## A POET'S CHOICE

Carcenet Press Ltd. Paperback. Book Condition: new. BRAND NEW, A Poet's Choice, Elizabeth Jennings, In this collection, Elizabeth Jennings includes the poems which helped shape her taste - poems she read at school, or discovered in book shops and the library, or pored over as an undergraduate-work which first gave her a taste for the art of poetry and taught the formal and thematic skills she has practiced for fifty years. Many of the poems chosen will be familiar to poetry lovers: what is exciting is the way she brings them together in a kind of commonplace book, conveying to a new audience the magic that enchanted her. This anthology is a window on the personal culture of one of our best-loved writers." "She is one of the few living poets we could not do without," Peter Levi said."
