

Sports and Exercise Nutrition (Hardback)

By William D. McArdle, Frank I. Katch, Victor L. Katch

Lippincott Williams and Wilkins, United States, 2012. Hardback. Book Condition: New. 4th revised International ed. 277 x 213 mm. Language: English Brand New Book. Updated with the latest cutting-edge research findings, the Fourth Edition helps readers make the bridge between nutrition and exercise concepts and their practical applications. The book provides a strong foundation in the science of exercise nutrition and bioenergetics and offers valuable insights into how the principles work in the real world of physical activity and sports medicine. Case Studies and Personal Health and Exercise Nutrition activities engage readers in practical nutritional assessment problems.

Reviews

The best book i actually go through. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Greg Herzog

This is the best book i have read until now. It can be filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.
