

Leveraged Buy Outs: A Practical Introductory Guide to LBOs (Paperback)

By David Pilger

Harriman House Publishing, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Leveraged buyouts (LBOs) are innovative and sometimes controversial transactions. Loading a target company with the debt used to acquire it requires careful judgement, and getting the balance right between debt-load and future performance can be a demanding challenge. The financial analyst's role therefore sits at the heart of a successful leveraged buyout. It is his or her analysis of a target company and a prospective LBO which lays the foundation for a viable deal - or alerts parties to potential problems. This book assists financial analysts by explaining both the principles involved in leveraged buyouts, as well as detailing the ins and outs of putting together an industry-standard LBO analysis. Written by financial expert David Pilger, in lucid and accessible English it takes readers through: - the purpose, advantages, risks and outcomes of LBOs - the typical players in an LBO deal - step-by-step instructions on building an LBO analysis in Excel: from sources of funds, through income statements, cost structure, interest, EBITDA, cash flow, debt paydown and returns. Eminently practical and authoritative, this is an indispensable guide for any finance professional or student looking...
