

One Year After: A John Matherson Novel

By Dr William R Forstchen

FORGE, United States, 2016. Paperback. Book Condition: New. Reprint. 188 x 104 mm. Language: English . Brand New Book. New York Times bestselling author William R. Forstchen brings a sequel to his hit novel One Second After. Months before publication, One Second After was cited on the floor of Congress as a book all Americans should read, a book discussed in the corridors of the Pentagon as a truly realistic look at the dangers of EMPs. An EMP is a weapon with the power to destroy the entire United States in a single act of terrorism, in a single second; indeed, it is a weapon that the Wall Street Journal warns could shatter America. In the tradition of On the Beach, Fail Safe and Testament, One Second After was a dire warning of what might be our future and our end. Now, One Year After returns to the small town of Black Mountain, and the man who struggled so hard to rebuild it in the wake of devastation-John Matherson. It is a thrilling follow-up and should delight fans in every way.

Reviews

Complete information for ebook fans. It is actually full of knowledge and wisdom I am pleased to inform you that this is basically the very best pdf we have read through inside my very own daily life and can be the very best ebook for ever.

-- **Gideon Morissette**

An incredibly great book with perfect and lucid answers. Better than never, though I am quite late in starting reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
