Trafford Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My Mother the Miracle tells of our mother s near-death experience with cancer. It includes the details of the children s personal battles and how they dealt with the situation individually and collectively. It speaks on the power of prayer and how important it is for children to intercede on behalf of their parents, especially in the time of sickness. This book will give readers a view of how true love conquers all. It will remind readers that there is power in their thoughts and words. It will also empower and encourage readers to never take the final word from a doctor and remind them that Jesus Christ has the final word, not man. For those who are facing life-changing situations, whether due to terminal illness, divorce, loss of a loved one, or any other tragedy, it will guide them on how to decree and declare things into existence in the name of Jesus. Finally, this book will speak volumes on how desperation can lead us into total surrender and complete trust in God, knowing that with Him, all things are possible.
