

A Life Committed to Its Intended Anchorage and Soar: The Harmony Between Spiritual Principles and Sound Science (Paperback)

By Donald L. Yates

WestBow Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Who are we? Why are we here? What is the true meaning for our existence? Each of these questions provides a general intention to answer in this book. Questions about the purpose of life for human beings are not new as book topics for nonfiction-category book titles. Nevertheless, author Donald L. Yates interest in approaching this and similar, parallel questions is in investigating the links, ties, connections, and other illustrations of harmony, and balance between spiritual principles in their broadest sense and sound science. With such a discovery of connectedness and agreement between science and universal spiritual principles there are thus, the wider implications for humankind s purpose in living and for other, larger questions of humankind s behavior, actions, and existence. Moreover, this book is poised to add a particular, significant contribution to the ongoing debate between creationism and evolutionary theory in public education. And while the central theme most recently fostering the debate has been what constitutes good science, what is alleged as being the universal consensus within the scientific community of evolution theory unqualified merit is far from being...
