

## Zombiestop Parade (Paperback)

By MR Richard J Buzzell

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In the wake of the financial fiasco some of our citizens have come into conflict with the prevailing economic culture. This book attempts to capture the passion, the turmoil, and the strife of that conflict. Facing declining prospects, these millennial generation characters conduct a campaign of street-savvy satire against the ideology of the Econowitches. Wielding their irreverence like a weapon, they seek to undermine the values that propel economic ethnicity. Their efforts focus on exposing the instruments of dupability through which mythological systems of governance are dressed up for sale to an educated audience. Their courageous stance against the cash-grab mentality draws supporters who view them as heroes of sustainability, but it also draws vitriolic opposition and charges of extremism. There is on-going debate about the boundaries between committed advocacy and megalomania. The story unfolds beneath the threat of declining social cohesion and all the ugly possibilities that come with that. Personal and political drama is entangled in characters determined to make their lives about something. It s an inspiring story of hope based not on delusion but on America s long...
