FUNDRAISING WITHOUT FUNDRAISERS: A NONPROFIT STEP-BY-STEP GUIDE TO GENERATING REVENUE USING UNTRADITIONAL METHODS (PAPERBACK)

DOWNLOAD

Community Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fundraising Without Fundraisers is the first book ever written on fundraising that has nothing to do with raising funds; that is to say, in the traditional sense. There are no discussions of fundraising dinners, donations, grants, or end of year fundraising letters. What Fundraising Without Fundraisers does provide is a new approach to an age-old problem. It supplies you with step-by-step instructions for monetizing your mission in a way that creates healthy revenue streams that you control. This is revenue that is both sustainable and scalable. Imagine diving into this book on a Friday and by Monday knowing exactly how to implement a strategy with an \$80,000 a year income potential. Now imagine implementing another strategy, and then another, and another, all with the same income potential. And lastly, envision what it would feel like to know that this revenue will continue to stream into your organization year after year. This is exactly what Fundraising Without Fundraisers makes possible. You have at your disposal the means by which to free yourself from the stress and worry associated with relying on traditional funding sources. You are about to gain access to 16 strategies, outlined with instruction manual detail, that promise to put you back in the driver s seat. Not only are these strategies simple to execute, but they don t require a great deal of time, money, or people power to implement. And, because they are mission driven, they will fold seamlessly into your operation. Fundraising Without Fundraisers is an investment in your organization s future, as well as your personal peace of mind.
