

Stuxnet: The True Story of Hunt and Evolution (Paperback)

By Roman Poroshyn

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Computer viruses can be confusing. They can also be fascinating. This book is about a notorious computer virus Stuxnet. You might be wondering: there are so many computer viruses, why Stuxnet? What is so special about the Stuxnet computer worm? Stuxnet never managed to become the biggest, the scariest, or the most sophisticated malware. At the same time, because of some unexpected twists of fate, Stuxnet had become much more than just a computer worm. Stuxnet brought from shadows into spotlight some very serious issues with the Internet security ranging from stolen digital certificates and defenselessness of industrial computers to an existence of -gray- market of pre-written software vulnerabilities for sale. Overall, the story of Stuxnet is a story of its evolution from an ordinary malware to a cyber-weapon that was followed by its major transformation into a successful long-term propaganda-weapon. The appearance of Stuxnet that was loaded with two digital certificates and four previously unknown breaches in Windows defense raised some painful questions. Who was behind Stuxnet? For how long was this cyber-war going on? Are secure...

Reviews

I just started off reading this article publication. It is definitely simplistic but surprises in the 50 percent of your ebook. You are going to like how the author create this publication.

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
