THE MALARIA PROJECT: THE U.S. GOVERNMENT'S SECRET MISSION TO FIND A MIRACLE CURE

New American Library. 1 Cloth(s), 2014. hard. Book Condition: New. Science writer Karen Masterson here offers a fascinating at times shocking exposé of America's effort to combat malaria during World War II. Foreseeing the tactical need for a malaria drug, U.S. war planners modeled a secret campaign after a German program that tested experimental drugs on men gone mad from syphilis, then expanded it tenfold, recruiting private corporations and university labs to make novel compounds. A dozen strains of malaria were injected...

Reviews

Absolutely among the best publication I have got at any time go through. It really is written in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.
