New Village Press, United States, 2006. Hardback. Condition: New. New. Language: English . Brand New Book. This full-color celebration of communities engaged in creative cultural expression profiles nine exemplary grassroots arts projects depicting an intersection of creativity with love of place. Stories range from children building an African-inspired mud facade on their Oregon middle school to an annual blessing-procession and festival in North Philadelphia that brings to life dozens of the most depressed blocks in urban America. Other regions represented include Minneapolis, Boston, Berkeley, rural Maine, San Francisco, the New York Bronx, and Vancouver, Canada. Community-based arts resources are sited throughout. Works of Heart offers a compendium of multicultural human-interest stories that will inspire and inform both community development professionals and citizen activists. Among those profiled are Lily Yeh and the Village of Arts and Humanities, Clara Wainwright and the Faith Quilts Project, Dolly Hopkins and Public Dreams, and the Beehive Collective.
