Reviews

These kinds of ebook is almost everything and got me to searching forward and a lot more. It usually does not price excessive. Its been written in an exceedingly basic way and is particularly only following i finished reading through this pdf through which in fact modified me, alter the way i really believe.

STREAKING: A NOVEL OF PROBABILITY (PAPERBACK)

Borgo Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. For hundreds of years the male members of the Kilcannon family have considered themselves beneficiaries of distortions in the statistical distribution of chance, associating their most fortunate windfalls with visual distortions they call streaks. Canny Kilcannon is unsure as to how far he can go in tempting fate. Then he meets Lissa Lo, the female beneficiary of a similar centuries-old streak of luck. Lissa suggests that they attempt the ultimate biological experiment to test the boundaries of their gift. Can they succeed? Or will they bring down upon their heads the curse of black lightning about which both of their traditions warn. A truly compelling tale of luck and probability in the real world.
