

The Lady in the Man (Paperback)

By Briana Kiefer

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A mortician has been found in pieces on the famous- and infamous- Reverend Lane Powell s estate and River Allen is the woman to solve the case. River is a sometimes detective, well, really a zombie-erotica fiction writer and full time cupcake enthusiast. This curvaceous, red headed bombshell is just what Detective Barnaby Westmoor needs (but doesn t want) to solve this messy case. As subtle as a wrecking ball, River barges into the closed family s lives, intent on the truth, even if it offends their conservative sensibilities. But, in a family full of liars, can River find the killer before more bodies are found? More importantly: can she do so without getting blood on her zombie pumps (priorities, love)?.
