Friesenpress, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In our modern age, Christianity and secularism have increasingly become estranged. As Christian denominations individually attempt to promote the survival of moral and ethical standards of the past, it seems David is facing the giant Goliath . . . a supposedly losing battle. However, the followers of Christ in Tangleville discover that working together as a Christian Coalition, the giant is not quite so formidable as first thought. In the wake of the wild success of Harry Stings show on AM KNOW, he and an Anglican priest, Canon Dr. Barclay Stedmore, walk their talk of uniting the many Christian communities of Tangleville from their disparate factions. By Stepping Out together rather than going it alone, the Christian denominations make swift progress on the road to collaboration and unity. Secularism's once-accepted standard of normality is usurped. It all began in the first novel, Tangleville: Just About Any Town Anywhere which stirred up the need of co-operation amongst believers. This sequel picks up the whys, the hows, and the victory of winning . . . Stepping Out! Just as Any Town Can. Some of the town's residents were not amused!.
