

## On Personhood in Public Places (Paperback)

By John Frow, Justin Clemens

Blurb, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In this first publication for the Research Unit in Public Cultures, John Frow sets about asking, how do people figure and perform themselves in the public sphere? One answer to this question has to do with the offices by which people are defined in traditional status systems, and the gradual dissolution of those office-based ties of status, of kinship networks, of community, of religion, and of patronage in the passage to modernity and to contract-based individualism. Professor Frow will propose a different kind of answer, however, which thinks about the legal and religious underpinnings of personhood across the discontinuities of tradition and modernity, and which explores the status of the person in new modes of public circulation of selfhood, new modes of public intimacy, and a new malleability of the self and its boundaries in a world characterised by a plurality of public spheres and of the ways of being a person that they make possible.

### Reviews

*A very great ebook with perfect and lucid answers. It can be packed with wisdom and knowledge I found out this book from my dad and i encouraged this publication to learn.*

-- **Elena McLaughlin**

*The very best pdf i possibly study. It generally will not expense excessive. You wont really feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).*

-- **Prof. Owen Sporer**
