Reviews

Certainly, this is actually the greatest job by any publisher. It is really simplistic but shocks within the 50 % of the pdf. I am just happy to tell you that this is the very best ebook i have read in my own lifestyle and may be he greatest ebook for actually.

Distinct Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are You Ready to Harness Your eMolecule? Author Mary Todd believes that everyone has an entrepreneurial spirit (what she calls an eMolecule), and through self-exploration to find your passion, you can enterprise your passion through business to create a more fulfilling life - so you can live your purpose. However, the decision to look inside yourself to find your eMolecule is often riddled with fear and self-doubt. The goal of this book is that you will be able to relate to aspects of Mary s story. You ll see that although your paths aren t identical, we all deal with the same issues. We, as humans, are not as unique in our experience as we would like to think we are. This realization will serve as foundational inspiration to begin thinking about your own entrepreneurial spirit to plant the seeds of change and possibility. Why This Book Is for YOU You Feel Alone or Like No One Gets You - the human experience is not as unique as you think. You experience emotions like fear and love - just like I do. So let s be in it together. I ll share my journey with you; just share yours with me too. You re Ready for Change - world hangers all have something in common, they ve taken the path to harnessing their eMolecules and embraced who they are in the process. You ve Struggled with Finding Your Passion - there s something missing in your life but you can t quite put your finger on it. You want to love your work and work for what you love. You re Curious About Starting Your Own Business - but have...
