Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Circumnavigating the Medulla Oblongata A note concerning the basic attitude of this book of stories. The story-telling of a stained-glass window. The minutae of a moment recorded through a fly s eye. The strange tales and weird memos of a modern-day Moses. All these are closer to the spirit of the stories in this collection than the usual DOs and DON Ts of the narrative art. There s a freedom of freak-dom in being a miniaturist of the psyche, a landscape artist with the pallatte of a portrait painter. Rules are more like napkin sketches of escape plans to cross some foreign border at night, the rain tumbling against the passenger train s oblong panes, the moon no more than a rumor. Gregg Glory January, 2014.
