

Dr. Jizhou Kang s Information Medicine - The Handbook: A 60 Year Experience of Organic Integration of Chinese and Western Medicine (Volume 2) (Paperback)

By Jizhou Kang

Ehgbooks, United States, 2015. Paperback. Condition: New. Language: Chinese . Brand New Book ***** Print on Demand *****.Kang s Information Medicine (Integrative Information Medicine according to Kang) uses the Golden Mean philosophy as its guide. The new premises are based upon the information and system theories using new approaches and modalities relating to homeopathic medicine and EAV, thereby combining the organic integration of Chinese and Western medicine. The natural query arises as to how one merges these two disciplines of medicine together. Kang s Information Medicine uses homeopathic medicine as a binder, EAV- Instrumentation and test points for tools coupled with the basic disciplines of traditional Chinese medicine in the modality of yin and yang; the five elements and organs differentiation combined with the basic disciplines of Western medicine, using anatomical science, physiology, and pathology, in methodical combination in order to achieve the desired results. Of course, traditional Chinese clinical medicine and Western clinical medicine disciplines organically blend together to form The Chain of Disease-Related Cause and Lesion. With this emphasis, there is a reliance upon the application of Yin and Yang, the Five Elements theory, Organs Differentiation, Meridian Differentiation using homeopathic medicine and EAV to determine the Chain through...
