A brand new e book with an all new point of view. I have got read and i am sure that i am going to likely to read through once more once more in the future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Headline Publishing Group, United Kingdom, 2014. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. I don't want to know your reasons. I don't care. Think of me as a bullet. Just point. Spademan used to be a garbage man. That was before the dirty bomb hit Times Square, before his wife was killed, before New York became a burnt-out shell. Now the wealthy spend their days tapped into virtual reality; the rest have to fend for themselves in the streets. Now there's nothing but garbage. So he became a hit man. He doesn't ask questions, he works quickly, and he's handy with a box-cutter. When he's hired to kill the daughter of a high-profile evangelist, Spademan's life is upended. He will have to navigate two worlds - both the slick fantasy and the wasteland reality - to finish the job, clear his conscience, and make sure he's not the one who winds up in the ground.
