Brand New Book ***** Print on Demand *****.I first got interested in kings and queens about ten years ago when I found myself reading a historical novel about Henry VIII. It was enthralling, but it left me wanting to know more about his ancestors. I then went on to read more. It was at this point I decided to produce a concise summary of my findings into a booklet. This booklet will be a genealogical record of all the kings and queens of England and Scotland, starting with the first king ever recorded, King Egbert of Wessex, 780 AD, and to follow them through Queen Elizabeth II, 1952.
