Good e-book and beneficial one. I was able to comprehend everything out of this published e.pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

After the murder of his son Paul, Dodger Donovan sets out to bring down the Interstate Stalker, who takes men, kills them and leaves them naked by the side of rural highways. Dodger knows without a doubt that the Stalker is Diana Macfadden, a woman accused of burning her parents to death when she was only ten years old and spent ten years of her life in Whispering Pines State Mental facility for it. Who has a devoted subservient named Jeremy that will do anything in the world for her. Anything. And who has a new visitor named Nick Chambers hidden in a secret dungeon deep beneath her house where nobody will ever find him. Will Nick become the latest Interstate Stalker's victim, or will he find a way back to freedom? Weaving together obsession, murderous need and the indomitable power of love, JT Larson leads readers into a gripping chase through the darkest shadows that hide in men's souls.
