Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. We are about half-way through a 50-year major paradigm shift. Einstein s Special Relativity (SR) traditionally rests upon the results of the Michelson-Morley experiment (which, when made consistent with Maxwell s Equations, will not detect an ether nor prove the Second Postulate of Relativity) and experimental verifications (which are somewhat suspect in completeness). There is also a singularity in SR when $v = c$, which is removed with cause in this book. Finally, Dark Matter and Dark Energy (which can by-design never be proved) are replaced with classical Physics explanations, which are TESTABLE!.
