Lulu Press Inc, United Kingdom, 2014. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.Most of my working life has been spent in the Biochemistry laboratory at Northwick Park Hospital, Harrow. After a few years I got bored writing Best wishes for the future every time a leaving or birthday card came round, so I started writing tailor-made individual poems. Most of these are hilarious, (especially if you know the person concerned) some are tongue-in-cheek, and some have turned into songs. Explanations of obscure references and tunes are available upon request. Tony Walker Biomedical scientist.
