

## Shadowplay: Memoirs of Light Shade (Paperback)

By Heather Francis

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. In the light of day shadows play; in the dark of night they wait, not to be seen but to be heard and felt. They dance in the shadows others cast on the ground, they walk a few paces behind; they hide in objects and evoke memories; they manipulate the senses to assume different forms: familiar faces, special places, certain times. And their voices are many; voices of children, favourite books, musical instruments, lived-in houses, and a thousand others. Shadows of the past, shadows of the future, shadows present everywhere. A montage of memory invoked by shadows that unconsciously rise. Faint or distinct shapes, the voices that persistently call.
