BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Gusty Peterson, the hottest bimbo in school, is always thinking I'm sick, as in totally gross to look at. Not that it matters, since I don't have a crush on him or anything. And Mallory, my first real friend since forever, has disturbing romantic ideas about me and my ginormous gazungas. Ask me if I'd rather not know these things. I have enough to worry about with my dad showing up after two years of saving Africa from typhoid, ready to resuscitate our relationship. There's something he's not telling me. I know it. And now I've been assigned to work with Gusty in a hideous new project the faculty are torturing us with at school. It's so wonderful to explore yourself with someone who's always thinking you're sick. I'd probably be a lot better off if I weren't psychic after all. . . . If you ever thought reading people's minds would make it easier to understand them, Amy Kathleen Ryan is here to tell you that you're dead wrong. Funny, fresh, and heartfelt, Vibes zigs when you expect it to zag, and will have you both laughing out loud and rooting for Kristi to discover the truth about her parents, her friends, and herself. Barry Lyga, author of The Astonishing Adventures of Fanboy and Goth Girl.
