The winner in you makes the heart within me smile is my favorite because it stirs in me the precise emotion I feel every time I think of the talented author whose writing I have enjoyed since she was in Junior High School. Nettie Young What A Mother Says is a collection of truths inspired by Juanita Pittman-Brown s observations and personal experiences in interacting with her children and experiencing life. Juanita s aphorisms share the foundation of her personal life and all that she has learned as a mother. In an effort to pass on the legacy of her life experiences, she has shared in this body of work long-term truths which were born out of growing up with a rich southern heritage and mothering her two sons.
