The Road to Evergreen: Adoption, Attachment Therapy, and the Promise of Family

By Rachael Stryker

Cornell University Press, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Reactive attachment disorder (RAD) is a psychiatric condition affecting children that is characterized by inappropriate and sometimes disturbing ways of relating socially to others, including parents. Relatively rare, RAD is thought to arise from a failure to form close attachments to primary caregivers in early childhood due to abrupt or prolonged separation, neglect, or abuse. In the United States, the incidence of RAD increased in the 1990s as Americans began to adopt an unprecedented number of formerly institutionalized children from orphanages abroad and from within American child welfare systems. To help resolve the extreme behavioral problems exhibited by their children, many adoptive parents are now turning to a controversial but popular treatment: attachment therapy. In *The Road to Evergreen*, Rachael Stryker provides an in-depth exploration of the theory, implementation, and culture of attachment therapy as it is practiced in Evergreen, Colorado, the center of RAD treatment in the United States. To understand RAD and the Evergreen model, Stryker conducted interviews with client families at an attachment clinic in Evergreen, other American adoptive families, participants in the Denver foster care system, and...
