Partridge India, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is an appreciation of the author s instinctual thoughts and emotions. Penning down of such feelings is treated as a mode of self - discovery, which has taken a stroll via various states of mind through themes of day to day relevance. The author used her words as a tool to unveil the intricacies of her thoughts by describing the details, exploring the unknown inner self, admiring the energy of life, recounting the beauty of nature, negotiating opposites like life-death, success-failure etc and getting in terms with the harsh realities of life. This is a best suit for anyone who quests for a deeper understanding about one s life. This collection of poems written by a 23 years old reflects the questions and the musings that every soul has in their own lands of dreams. Her rustic and simplistic style of writing entralls the reader and leaves her pieces lasting long in your minds. This book is the magic the author experienced, when words took power of her well-nurtured instincts.
