Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Computer programming doesn't have to be complicated. When you start with the basics it's actually quite simple. That is what Cyberpunk Architects are all about. We take pride in giving people the blueprint for everything related to computer programming and computer programming languages. We include Python programming, Raspberry Pi, SQL, Java, HTML and a lot more. We take a sophisticated approach and teach you everything you need to know from the ground up. Starting with a strong base is the only way you will truly master the art of computer programming. We understand that it can be challenging to find the right way to learn the often complex field of programming especially for those who are not tech savvy. Our team at Cyberpunk Architects is dedicated to helping you achieve your goals when it comes to computer programming. We are here to provide you with the blueprint to give you a strong foundation so you can build on that and go into any area of programming that you wish. Our architects are comprised of professionals who have been in the industry of information technology for decades and have a passion for teaching and helping others especially through our books. They are friendly, experienced, knowledgeable computer programmers who love sharing their vast knowledge with anyone who has an interest in it. We look forward to getting a chance to work with you soon. Here at Cyberpunk Architects, you can always be sure that you are working with right people. Allow us take care of your needs for learning computer programming. If you have any questions about the services that we are providing, please do not hesitate to get in touch...
