Excerpt from The Pack-Asses of Privilege This is the true optimism, that sees the good which is, and strives with might and main to better that good, as well as the bad which also is. A cheerful acquiescence in. All that society is and does - in all its traditions, law s, customs and habits - is as stupid and harmful as the unreasonable discontent which can see no good nor any happiness in the world. The ultra-conservative and the ultra-radical are both fools after their degree. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
