## The Carnival of the Animals (Mixed media product)

By Jack Prelutsky

Alfred A. Knopf, United States, 2010. Mixed media product. Book Condition: New. Mary Grandpre (illustrator). 260 x 208 mm. Language: English . Brand New Book. A great way to introduce children to classical music. America's first Children's Poet Laureate has written all-new verses to accompany the composer Camille Saint-Saëns's *The Carnival of the Animals*, and the illustrator of the Harry Potter books has turned these rollicking rhymes into a picture-book fun fest. Included is a CD of the music and of Jack Prelutsky reading the verses. A note to parents and teachers by Judith Bachleitner, head of the music department at the prestigious Rudolf Steiner School in New York City, suggests ways preschoolers can act out the music: tromp like an elephant, hop like a kangaroo, glide like a swan or, for older children, be creatively inspired by this joyful work.

### Reviews

*Completely essential study publication. Better than never, though i am quite late in start reading this one. I am very easily could get a delight of reading a composed publication.*

-- **Marilyne Macejkovic**

*Absolutely essential read through book. it was actually writttern quite properly and useful. Its been developed in an remarkably basic way and it is only following i finished reading through this ebook where really changed me, modify the way i believe.*
