Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Delta Force is known for its excellent planning process, scientific approach to assaults, physical training and amazing marksmanship. The Unit is an equal to any anti-terror force and in some cases superior. The battle of Mogadishu again showed their technical proficiency, training and courage under fire. It is without a doubt that Delta prevented an even more catastrophic outcome. In more recent years Delta has been at the heart of a vast global war on terror. They have a vast array of operational achievements some of which are in the public domain and of which an estimated 80 are still top secret. Delta Force has been on a constant war footing since it was formed in the 1970s. Whilst the British SAS through the tales of Bravo Two Zero and Victor Two, seemed to steal most of the headlines in 1991. Delta Force also played a vital role in hunting down and destroying 26 Scud missiles to help quell the SCUD threat in the Iraqi desert during the Gulf War, the start of which would eventually sow the seeds - leading to a power vacuum after the removal of Saddam Hussain and a country ripe for terrorism with ISIS being able to seize parts of Iraq in 2014. But the bravery and courage shown by Delta Force, is second to none as they undertook missions, hundreds of miles behind enemy lines against an enemy in their thousands.
