CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 408 pages. Dimensions: 8.0in. x 5.0in. x 1.0in. The patients of the Redford Institute for the Psychologically Impaired (and a few more unfortunate souls) have been jumping between worlds, mirrors, and bedrooms. They're having the time of their lives, which is probably a good thing, because they now know their very lives depend on it. Motives and desires are put to the test as the wandering pioneers of Neitoph finally start to act on their minds and hearts--and not everyone is in agreement with what needs to happen next. . . Lilliana is running wild in Syfe, Raquel and her troupe are doing some serious soul-searching, and Zack and his friends are splitting apart at the seams. But what of Adrien and his master plan, you ask? Oh, you don't. Well, that's fine, because I'm not telling--and he isn't in any position to do so, either. This item ships from La Vergne, TN. Paperback.
