

## Plants of Rocky Mountain National Park (Classic Reprint) (Paperback)

By Ruth Ashton Nelson

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Plants of Rocky Mountain National Park The wild ?owers of Rocky Mountain National Park are one of its main attractions. They paint its fields, meadows, hillsides, and rocky gorges in all the colors of the rainbow. There has been a constant demand for an illustrated guide to these ?owers, and this publication has been prepared in response to that demand. It is the result of several years study of the plants of the region. Emphasis has been put on the outstanding field characters of the plants described and on their habitats. Keys for identification and an illustrated glossary are included. The chapter on Mountain Plants at Home deals with the relations between the plants and their severe mountain environment and their adaptations to that environment. The keys have been made as practical and simple as possible. They have been previously published, tested, and revised, and the writer feels that they will be useful to all persons who are seriously interested in the identification of our common wild ?owers, whether or not they have had training in botany. In...
