10/20/LIFE SECOND EDITION: THE PROFESSIONAL'S GUIDE TO BUILDING STRENGTH HAS GOTTEN EVEN BIGGER AND BETTER (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. 10/20/Life Second Edition If you like Starting Strength or 5/3/1, you're going to LOVE 10/20/Life! What is 10/20/Life? 10-and-20 weeks at a time, for a lifetime of positive momentum in training and in LIFE. This philosophy is a life-long approach for any level of lifter or athlete. Many recreational lifters utilize the protocols in this book to have a better plan in the gym, with no plans to ever compete. On the other hand, many competitive lifters from Beginner to Pro use this approach with great success! From The Author, Brian Carroll: With 10/20/Life, my objective is to teach you to get the results you want by coaching yourself-the same way a superior coach would take you through an individualized program in a great gym. We start out with a thorough examination of your weak points because that's how quality coaching works. The idea is to show you what to program, and when, based on your weaknesses in the squat, bench press, and deadlift. This sounds simple, but it's something most people don't even consider, much less put into practice. From there, the 10/20/Life system takes you through the best injury-preventative warm-up in the industry, followed by a comprehensive layout of coaching cues for each individual lift. From start to finish, you'll learn what to look for and what to do, and you'll learn the reasoning behind all of it. By the time you're finished working your way through these materials, you'll be able to coach yourself, and others, like a pro. Learn to be your own coach, attack your weaknesses and utilize a proven philosophy that is a guide to permanent success....
