Bruce Frederick Joseph Springsteen is an American singer-songwriter. He is known for his work with the E Street Band. Nicknamed - The Boss-, Springsteen is widely known for his brand of poetic lyrics, Americana, working class and sometimes political sentiments centered on his native New Jersey, his distinctive voice, and his lengthy and energetic stage performances-with concerts from the 1970s to the present decade running at up to four hours in length. Springsteen s recordings have included both commercially accessible rock albums and more somber folk-oriented works. His most successful studio albums, *Born to Run* (1975) and *Born in the U.S.A.* (1984), find pleasures in the struggles of daily American life. He has sold more 120 million records worldwide and more than 64 million records in the United States, making him one of the world s best-selling artists of all time. He has earned numerous awards for his work, including 20 Grammy Awards, two Golden Globes, and an Academy Award as well as being inducted into both the Songwriters Hall of Fame and the Rock And Roll Hall Of Fame in 1999. In 2009, Springsteen was a Kennedy Center Honors recipient, in 2013 was named MusiCares person of the year and in 2016 was awarded the Presidential Medal of Freedom.
