Gardening offers children a wealth of knowledge and experiences and many opportunities to develop new skills. An early years group without an outdoor area of their own could carry out many of the activities indoors. The practical activities include: growing gardens in jars; creating miniature gardens; investigating how much different types of soil weigh; making leaf prints; and pressing flowers. All the books in the Activities for 3-5 Year Olds Series contain tried-and-tested activities, linked to the Early Learning Goals of the Statutory Framework for the Early Years Foundation Stage, revised by the Department of Education for September 2012. They are an invaluable resource of fun, easy-to-use ideas for all early years settings, from preschools and nurseries to reception classes and day nurseries.
