

MRCS Revision Guide: Trunk and Thorax (Paperback)

By Mazyar Kanani, Leanne Harling

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2012. Paperback. Condition: New. New. Language: English . Brand New Book. The new MRCS structure replaces the vivas and clinical style examinations with an OSCE-based system. This revision guide - the first in a series - fully reflects this new format and provides a structured, systems-based approach to revision. Key aspects of anatomy, physiology, critical care, surgical pathology and operative care are combined whilst focusing on the questions commonly asked in the exam. The material is presented in a practical, question-and-answer based format to help readers retain details whilst providing all of the essential information needed for examination success. MRCS Revision Guide: Trunk and Thorax is a concise, clear pocketbook that reduces the need for bulky textbooks by providing a quick reference guide for busy surgical trainees. If you are studying for the MRCS examination, you need this book.

Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
