Anne de Bellevue, Que., for the purpose of transacting the business of the annual meeting for the association year ending June 30, 1907. Heretofore the annual meeting of the association has been held at Ottawa during the month of June, but this year it was decided to change the date for holding this meeting to some time earlier in the year when Parliament would be in session and when for various other good reasons it would be more desirable to convene. The report of the secretary, as presented before the above meeting, and which is here published in part, deals with the work which is being done throughout all parts of Canada, and shows the place which this line of work is taking in agricultural practice.
