Createspace, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Many asthma patients (for which I am one), experience ongoing struggles, with frequent changes in their lung function. In addition to dealing with ongoing symptoms of breathing distress and worsening attacks of symptoms that can be severe or even life-threatening, we also have the added fear of not knowing where our asthmatic conditions will take us in the future, as we grow older. We may also at times, be unsure regarding our diagnoses, as far as to the type(s) of asthma we are suffering (i.e. asthma with elements of COPD, asthmatic Bronchitis, cardiac asthma, asthma of cystic fibrosis, etc.). Our doctors may in some cases, be non-compassionate and seemingly sloughing us off, rather than offering us the best possible treatment-options and reassurance that our diagnoses are definitive. These type issues are where the chapters of this book come from. I offer them as an asthma patient who experiences all of the fears and struggles I have just described. My expressed wishes and concerns that will follow are not to imply that I expect perfection in doctors or even in asthma treatments that continue to evolve into better ones, with each passing year. You might say that I m simply offering them (with some sincerely researched information sprinkled between them); to let my fellow asthma patients know that I understand their struggle. For readers who are not asthma patients, I hope to convey to them an understanding of how our respiratory disorders can cause us genuine concerns and place a degree of limitations on our lives. Most of us know how to put on the brave face and to say the brave words from time to time and certainly...
