By Christopher D Mace

iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Dancing with God discusses our steps and missteps in our journey with God, as well as how He guides our stumbling steps of trust and faith as we move toward Him. Life with Him is progressively maturing, and we begin to understand that He is the reality behind our existence. Even when our independent spirits and willful actions trip us up, His grace-filled activity for us overflows with understanding, mercy and love. He knows His children's deepest desires, and gently guides those struggling to know Him into a relationship of eternal significance. The dance music becomes the music of a soul that is free. Meaning, purpose, and security meld into chords of peace and joy that are lifted in praise to the Creator of all that is good and perfect. He invites us into this relationship so that we will reach the full potential for which we were created, to know and honor Him.
